1. This reference is prepared with the understanding that my comments **will / will not** (circle one) be held in confidence.
 2. How long and in what capacity have you known the applicant?
 3. Please comment specifically on the applicant's motivation, emotional maturity and stability, self-reliance and independence, academic abilities and professional goals as they relate to the study abroad proposal. Please pay particular attention to the candidate's ability to relate his/her study abroad proposal to NSEP's mission to build international competence among U.S. undergraduates who are planning international careers. Your impressions of the student's ability to adapt to a different cultural environment, his/her linguistic preparation, and any other factors which you believe may have a bearing on the candidate's successful experience abroad would also be useful.
